Nodon Flashcards

Kids, ask a grown-up for help with scissors!

1. Cut out each card along the dotted lines.
2. Make a valley fold along the solid line (blank sides facing in).
3. Tape or glue blank sides together to make a two-sided card.
4. Put all the finished flashcards in a stack and test your knowledge of Nodon and what they do!

Button Nodon

Heyo! I'll tell you what's going on with the buttons! Mash mash mash!
